

## John 15:16, John 12:25-29

Fruitfulness doesn't just depend on sunshine to occur.

The corn of wheat must be broken and die. Unless it is broken and dies it abides alone. The greatest fruitfulness occurs when we are able to be broken and then to die to ourselves. We will look at several Biblical illustrations of brokenness and death that leads to the greatest fruit bearing.

May the Lord help us to allow Him to break us.

May we be crucified with Christ.

May we bring forth fruit that will honor and glorify Him, some thirty, some sixty, some a hundredfold.

## 約翰福音 15:16, 12:25-29

要結果子不單單只是需要陽光而已。

一粒麥子必須破碎死了。除非破碎死了，否則仍舊是一粒。最豐盛的結果子常是發生在當我們被破碎並向己死的時候。我們要來看聖經中幾個破碎死了而帶下豐盛的結果子的例子。

願神幫助我們，讓我們願意被祂破碎。

願我們與基督同釘十字架。

願我們結果子來尊榮，榮耀祂，三十倍，六十倍，甚至一百倍。
